ORDER:

In the reference 1st cited, the Chairman & Managing Director, Andhra Pradesh Southern Power Distribution Company Limited has stated that the work-load norms of AP DISCOMS are very stringent when compared to neighbouring States. There has been rapid growth in number of services and the distribution network. As per the work norms, the DISCOMS have proposed to sanction new posts commensurate with the increase in the network and the number of services to provide satisfactory service to the consumers particularly in rural areas.

2. In the reference 2nd cited, the Energy, I&I Department has proposed higher level posts like SEs, DEs and ADEs and more than the field level posts like AEs and also Sub-Engineers, as there has been a thrust on implementation of new technologies and new initiatives like energy conservation and energy audit in DISCOMS.

3. After careful examination of the proposal Government hereby accord sanction for creation of the following 406 posts temporarily in various cadres in Engineering, Personal and General, Accounts, Operation & Maintenance Service in Andhra Pradesh Distribution Companies i.e., 240 posts in AP Southern Power Distribution Company Limited (AP SPDCL) and 166 posts in AP Eastern Power Distribution Company Limited (AP EPDCL):
